Love beads are one of the traditional accessories of hippies. They consist of one or more long strings of beads, frequently handmade, worn around the neck by both sexes. The love bead trend probably evolved from the hippie fascination with non-Western cultures, such as those of Africa, India, and Native America, which make common use of similar beads. However, the Trekkie phenomenon did not come to the attention of the general public until after the show was cancelled in 1969 and reruns entered syndication. The first widely publicized fan convention occurred in January 1972 at the Statler Hilton Hotel in New York, featuring Roddenberry, Isaac Asimov, and two tons of NASA memorabilia. The organizers expected 500 attendees at the "First ...

Thank you! As commented above, I needed to use double-quotes on Windows, and needed the "svn update" before the "svn commit". The concept I had been missing is that the 2nd arg to propset is the property value, and this needs to be within quotes because it contains a space, in order for it to parse correctly.
