The purpose of the project is therefore to present a wider picture of the role of a security intelligence service in a democracy, not in a particular country. Examples of the security intelligence models of Canada and other NATO states will facilitate a more general but, hopefully, comprehensive analysis of the topic.

THE ROLE OF A SECURITY INTELLIGENCE SERVICE IN A DEMOCRACY

diplomacy is practised. As a topic for diplomacy, AI has become a relevant concern for many debates. It is relevant for topics ranging from economy and business, and security, all the way to democracy, human rights, and ethics. AI as a tool for diplomacy looks at how AI can support the functions of diplomacy and the day-to-day
