

marketing of traffic pdf

Viral marketing or viral advertising is a business strategy that uses existing social networks to promote a product. Its name refers to how consumers spread information about a product with other people in their social networks, much in the same way that a virus spreads from one person to another. It can be delivered by word of mouth or enhanced by the network effects of the Internet and ...

In electronic commerce, conversion marketing is marketing with the intention of increasing conversions--that is, site visitors who are paying customers. The process of improving the conversion rate is called conversion rate optimization. However, different sites may consider a "conversion" to be a result other than a sale. Say a customer were to abandon an online shopping cart.
