Effect of Self Perineal Care Instructions on Episiotomy Pain and Wound Healing of Postpartum Women

(PDF) Effect of Self Perineal Care Instructions on

The perineum is the space between the anus and scrotum in the male and between the anus and the vulva in the female. The perineum is the region of the body between the pubic symphysis (pubic arch) and the coccyx (tail bone), including the perineal body and surrounding structures. There is some variability in how the boundaries are defined. The perianal area (peri-and anal) is a subset of the ...

This is the first in a Series of four papers about midwifery. Introduction. Every year there are an estimated 139 million births. 1 An estimated 289 000 women will die during pregnancy, childbirth, or soon after; 2 2-6 million will have stillbirths, 3 and 2-9 million infants will die in the first month of life. 4 Poor quality maternal and newborn care is a major factor for these deaths, and ...
